In my opinion a C.I.D should exist with freedom to transfer men from the General Police Force into the C.I.D and vice versa, the allowances now granted being treated as local to the C.I.D. In this sense the C.I.D. may be continued until further orders —

Enc 1

FROM

C. Srikantesvara Aiyar Esquire, B.A., B.L.,

Offg. *Inspector-General of Police in Mysore.*

To

K. R. Srinivasa Iyengar Esquire, M.A.,

Offg. *Secretary to the Government of H. H. the Maharaja of Mysore, General and Revenue Departments.*

Sir,

With reference to Government order No. J.936-7/Police.1-11-2 dated 15th September 1911 sanctioning the continuance of the C.I.D. for the second time for another period of one year from the 1st July 1911, I have the honor to submit the following brief report on the working of the department since that date. 7(W)

2. The sanctioned strength of the department remained the same until April last when one of the C.I.D. Inspectors Mr.C.Krishna Rao was transferred to the Bangalore City.

3. The department has continued to do good work under the supervision of my office Assistant Mr. M. Lakshmansastry.

4. Since the last year's report the C.I.D. visited the marginally noted Districts and revised the lists of gangs and K.D's which had been prepared and submitted by the Gang Inspectors and more important than that they inspected the gangs and K.D's personally and checked them with the lists. This mode of inspection of the C.I.D. gangs and K.D's by the

Hassan, Kolar and French Rocks Circle.

the C.I.D. officers is being systematically carried out in British India with great advantage. Owing to the C.I.D. officers being employed on other work also, they were not able to visit all the districts during the year; they have yet to visit the districts of Tumkur, Chitaldrug, Kadur, Mysore and a portion of Bangalore.

Collection of information relating to gangs, K.D's AND FOREIGNERS.

5. Information relating to the movements of 146 local and foreign gang members and 84 individual suspects was collected and furnished, to both the local and foreign Police concerned.

6. At the beginning of the year under report the Bangalore Daily Post alarmed the public by publishing an article under the title "Is it a bomb?" This created some sensation both in the City and Civil and Military station and a few were also alarmed.

C.I.D. investigated the matter and speedily spotted the party responsible for the appearance of the alarming article which was a mere fib and fancy of an idle brain. Another article which followed it was also proved to be false and a detailed report on the subject was submitted to Government in due course (vide D.O. No: 139 dated 3.7.11). Not recd. in office.

The matter was also enquired into confidentially by the Madras C.I.D. who also seem to have arrived at the same conclusion.

7. C.I.D. did also useful work in connection with the Delhi Durbar arrangements and two Inspectors and one constable were on special duty at Delhi.

Investigation.

8. The following cases were handled by the C.I.D.

C.I.D. during the period under report.

Madanaikanahalli theft case.

i. One Krishnamurti Rao Sindhe of Birur complained in November last at the Chief Office that his property consisting of jewels, sovereigns and currency notes to the aggregate value of about Rs.5,000/- was found missing from his box at Birur. C.I.D. traced the property to the possession of the complainant's second wife and her brother at Madanaikanahalli in Mandya Taluk, and with the help of the local Police recovered all the jewels and sovereigns to the extent of about Rs.2,000/-.

A charge-sheet was placed against both of them and is pending before the Amildar Magistrate of Mandya.

ii. Missing of Government House Tents.

Enquiry into this case was ordered by Government at the instance of the Military Secretary and C.I.D. have gone into the matter and submitted a report which is now engaging my attention.

9. Besides actually handling the above cases the C.I.D. officers co-operated with the executive Police at their request in the following cases;-

Kadur District Dacoity and burglaries.

i. Though the culprits, who were ascertained to be residents below-ghats, could not be traced, the action taken however was sufficient to infuse wholesome fear to prevent ~~repition~~ repetition of similar crimes.

I very much doubt this 25.

Nanjangud Mutt H.B. and theft case.

ii. In connection with this case, services of a C.I.D. officer were lent in March last and some of the currency notes alleged to have been lost were traced in Madras and Bombay where they had got into circulation.

C.I.D. Inspector Mr. C. Krishna Rao who was deputed furnished the necessary information to the

the local Police.

iii Bangalore City Post office insured letter theft case.

In this case, an insured letter containing 19 currency Notes of Rs.100/- each was found missing in March last by the Insurance clerk in the Chickpet Post Office.

Owing to the complainant furnishing in-correct numbers of the missing currency notes, difficulty is being experienced in the investigation which is still proceeding

In several cases of burglary and theft and other heinous offences in the City, the services of the C.I.D subordinate staff were taken advantage of by the City Police.

iv Missing of currency notes in Tumkur

In this case five currency notes to the value of Rs.100/- each belonging to one Puttappa, resident of Tumkur, were entrusted to one Jeevanna, a dependant on him. The latter missed the notes from his pocket at the Tumkur Railway station on 2nd July 1911.

Attempts made by the Railway and Tumkur Taluk Police to spot the culprit and trace the notes became futile and the investigation of the case was then entrusted to the C.I.D. on 18-9-1911.

The notes having passed several hands the investigation has been somewhat slow as is usual with such cases. Three of the notes have been traced in the currency office, Madras, where they have been cancelled.

The case has to be worked on clues furnished by the endorsements made on the reverse of notes and one of the officers has now proceeded to Cuddalore regarding it.

10. The result of the cases which were pending trial

trial before Courts on the date of the submission of the last report is as follows:-

The trial which lasted till September last ended in the conviction of all the eight accused persons as detailed in the margin. Appeals were preferred by all the accused persons to the Sessions Court which upheld the convictions. The services of C.I.D. Inspectors who were deputed for the detection and prosecution of these cases were greatly appreciated by the lower and appellate Courts and the officers have been since recommended for suitable rewards(vide letter No. 4168/487 dated 19-4-1912)to Government. ii The Kondapur Murder case.
This case broke down before the Sessions resulting in the acquittal of the accused persons.

iii Railway Mail service Currency notes abstraction case.
The Branch Post-Master, Luni was prosecuted and convicted.

11. The C.I.D. officers were also on special duty in Mysore on the Railway during the Dasara festival.

12. Finger Print Branch.
Owing to inadequate staff the work of re-classification of finger print slips according to Henry's system could not be taken up and the slips of the members of

of the C.I.D. gangs and K.D's also remain unclassified. This branch of Police work is becoming more and more important and needs special attention. The number of slips on record in the Bureau on 1st July 1911 was 21,937 and the number on 1st May 1912 is 23,132.

1312 slips from within and 525 from outside were received during the year for search, of which 186 and 49 respectively were traced, the highest number of previous convictions traced against an individual being 12.

13. In addition to these duties the C.I.D. staff was engaged while at Head Quarters in watching the various classes of local and foreign suspects and was thus a source of much help to the City Police.

14. The work turned out by the C.I.D. has been satisfactory and the necessity for making it permanent has already been so warmly advocated by my predecessor

15. Under these circumstances, I request that you may be so good as to obtain early sanction of Government for making this staff permanent and also for the grant of special allowances to my office Manager and office Assistant for the considerable amount of extra work thrown upon them as explained in previous reports.

16. A proposition statement embodying the above proposals is herewith submitted.

I have the honor to be,

sir,

Your most obedient servant,

Offg. Inspector General of Police.
